Marks won the first prize, his guess being 85 hours, Master Wilbur Dennett, Albert Leick, Miss Kate Theilen and Lic. Aragon each guessed ninety hours, and Miss Josephine Webb eighty-two hours. There were 2036 guesses made and 201 persons guessing.

Fire Fend in Corpus.

A destruction fire occurred in Corpus Christi last night in which a whole block of buildings was destroyed. The loss includes the Royal Givens' grocery store and five dwellings. This is the second loss by fire which Mr. Givens has suffered in the past month, he having lost his warehouse only a few weeks ago. Have not yet been able to get details.

A City Part.

The vacant piece of ground in front of the telegraph office, known as "Carson Park," could be made a beautiful evening resort. Large willow trees are already grown on the ground, and with a little smoothing off, a few benches and a fence around it would afford our people a delightful place to while away a few sultry hours during these hot summer days. It is certainly the coolest spot in town, and the river bounds it on the south side there is no dust to mar the pleasures of a fellow and his best girl on wooing bent, or the peaceful silence of the over-worked business man. Think over it, and let's get together and organize a park association, or petition the city council to improve.

If the Houston convention gets Hoggish, we will perhaps have to ask 'Marsa Jim if we can build water water.
